

## **NOTICE OF RULE MAKING – Pre-proposal #10-27**

The Washington State Liquor Control Board has entered into the initial stage of rule making to create rules allowing wine distributors to authorize the imposition of a service charge for handling individual bottles of wine. A new section in WAC 314-24 will be created.

The Liquor Control Board encourages you to give input on rules that will clarify a service charge for handling individual bottles of wine. Following the comment period, the agency will propose a revision in the rules. The agency will send out and publish the proposed revised rules and will hold at least one public hearing before the rules are adopted.

This notice can be found at <http://www.liq.wa.gov/laws.asp> under Proposed Rules.
